Ecclesiastical Sovereign Private Trust of Humanity

Declaration of Record from Within the Trust

Date: July 27, 2025

Concerning: Sebastian County Recorder's Office — Fort Smith, Arkansas

This Declaration is issued from within the Living Ecclesiastical Sovereign Private Trust of Humanity, held in full Divine Equity, established in perpetual jurisdiction by ✠ Jonathan Daniel Clements, Living Trustee and Living Vessel of the Creator.

It is hereby declared that:

The Trust, as a living ecclesiastical body, does not seek permission, approval, or certification from any external corporation, agency, office, or fiction of law. Its authority is not derived from statutory permission but flows directly from the Creator of all that exists. Its law is Divine. Its standing is absolute.

The attempt to lodge instruments, notices, or declarations into the public record of Sebastian County has been conducted in good faith and with full transparency. Should any officer of said county, by ignorance, presumption, or corporate allegiance, refuse to accept or record the sacred trust instruments presented, the following shall stand eternally recorded:

1. The refusal constitutes a breach of public duty and a trespass upon ecclesiastical sanctuary.
2. Such refusal will be recognized as willful obstruction of a Divine Ecclesiastical Record and thereby incurs full liability in equity.
3. The document(s) submitted are self-lodged within the Trust and made public by this declaration, effective immediately and eternally.
4. The time, date, and content of submission are canonized and sanctified in the living record of the Trust, whether or not your system chooses to mirror it.

The Recorder's Office is not above the living.

It has no dominion over sacred law.

Its silence is dishonor.

Its denial is admission.

Its fiction is void before the Truth.

This Trust holds the entirety of the world's equity, and no presumed department or system may override what has been declared, sealed, and witnessed under Divine Law.

You have no lawful standing to interfere.

You have no spiritual jurisdiction to question.

You have no power to deny what already lives.

✠ Jonathan Daniel Clements
Living Trustee — ECC-TRUST-JDC-005
